

PROTECTIVE CLOTHING AT LOUEE

Motorcycling Australia guidelines.

All riders **must wear**

Helmet

An approved and correctly fitting helmet which must:

- a) Carry the Standards Association of Australia "AS 1698" label.

All riders are **advised to wear** the following protective equipment and clothing at Louee.

Clothing

Trousers of leather or synthetic material of similar durability.

Trousers of other than leather, be non combustible and be fitted with a lining,

A jersey which be

- a) Made of close knit fabric of natural or synthetic fibre, and
- b) Be a snug fit and provide protection against abrasion to the body and arms.

Footwear

Boots which be:

- a) Of recognised Motocross type,
- b) Constructed of leather, plastic or other similarly durable material, and
- c) Of a length that least cover $\frac{3}{4}$ of the length of the lower leg, with the rider in a racing position on the machine.

Gloves

Gloves of leather or other material of similar or greater durability.

Goggles and Visors

All riders be wearing goggles or a similar form of eye protection. Eye protection, including spectacles, protective goggles, helmet visors and/or 'tear-offs' comply with the following:

- a) Eye protectors and spectacles are made of non-shattering material,
- b) Eye protectors which cause visual disturbance are not to be used,
- c) Metal or Perspex face shields are not used,
- d) Eye shades or peaks are of a flexible material.

Junior Clothing

In addition to the general requirements for clothing, juniors should comply as follows:

- a) Protective clothing not be loose or flapping,
- b) Commercially manufactured body armour be worn. Soft roost protection is unacceptable.
